From which country are you? I do play basketball too but not really good. Where do you play usually?

I'm from Canada. Do you live in SIP? I haven't played basketball with anybody but I'm sure we can find a place.

where are you from?

After Chinese New Year, I'm in for some ball. Are there any indoor courts around? I've been looking and have found one in SND, but it's almost always booked.
