Manggo,

Hello. I am writing to offer my services as a private English tutor. My full name is Jonathan Browning and I come from the south of England. Next week I will be arriving in Suzhou to begin a teaching contract at Suzhou Vocational University.

I have already taught in China for one year in a different city - Yancheng. There I taught English to medical students.

I have a TEFL qualification. I am 24 years old and consider myself to be very approachable, friendly, honest and professional. I charge 125RMB per hour. four hours a week would be fine for me.

Please get in touch if you would like to talk more

Regards,

Jon
