Hi everybody.

does anybody know the new adress of the antique-shop "Franks-Place"?

The street name is Yuan Lin Lu and it is right across from the Lion Forest Garden and just around the corner from the Humble Administrators garden. If you have taxi cards you can asked to be taken to either of these sites and be dropped off. If you have a driver you could phone and give him/her the phone for directions 512-6702-5585. Hope this helps  
Kim
