A good place i hear is BoDi Fitness Club you can find the contact address here in the business directory.

Link to BoDi Fitness Club

BoDi Fitness Club maybe required a membership but i'am not 100% sure. The indian teacher there sure speak well english.

Another is above Blue Marlin3 i not have the Name right now but i remember it is in the 3. floor. There is no membership required. But also no english speaking trainer.

Regards
