
I'm looking for a vet

Posted by Laodike - 2007/12/07 10:37

Hi everyone,

I've got a pet rabbit, and wish to have him checked up. Does anyone know about a pet vet in Suzhou, because I can't go to Shanghai all day as I'm working.

Many thanks.

Hi,

There is a good vet in the city centre who speaks even some English. VETCAO in Bai Tai East Road, it's a big shop with a green cross at the front. Very good standard. Good luck.
